Sam Peach Park	*" 1. On the topic of parking: there are a number of areas (opportunities) that are not fully exploited which are very near the park.* *2. I believe that the opportunity for baseball for children is a valuable attribute of the park.* *3. From time to time, parking choices present a safety concern.* *4. I think the park is a very real financial asset to me. I think my neighbors have a similar bias.* *5. The walking path surrounding the park perimeter is a valuable feature & is used often by folks of all ages.*	07.25.13 open house

	6. A possible option for providing additional parking might be expanding the present parking lot."
