Using Freegal Downloadable Music

- Freegal is free and legal access to MP3 music to download for your personal use. It works with Windows PCs and Macs. Songs are transferrable to most devices.
- Freegal downloaded songs are DRM-free (no digital rights management restrictions) and will not expire.
- Music is from the Sony Music Entertainment catalog and includes a variety of music genres and artists.
- Each individual library card holder may download 3 songs per week. A new week starts Sunday at 9 PM Pacific Time.
- See Freegal's FAQ for more information.

Log in to Freegal through the Puyallup Public Library's website

- Go to www.puyalluplibrary.org.
- Hover over the **Catalog & More** tab.
- Click on **Download Music** to go directly to Freegal.

Logging in

- Type in your library card barcode number and PIN.
- Freegal only works with current library cards with fines under $15.
- Self-registered cards won't work with Freegal. Please visit the Library and see a staff member to complete registration.
