

Puyallup Activity Center

Trips & Tours Code of Conduct

The Puyallup Activity Center (PAC) wants all participants to enjoy their trip experience. In order for participants to enjoy each trip, the PAC has established a certain code of conduct. It is important that everyone abide by the established code. Failure to abide by the code may result in you not being allowed on future trips.

1. **Safety is paramount.** Day trip participants shall follow all safety rules and regulations established by the PAC. A participant who endangers the safety and welfare of him/herself or another may not be allowed to participate in future trips.
2. Participants shall not engage in or threaten abusive behavior including verbal harassment, menacing, physical aggression, or sexual harassment.
3. Participants shall not use loud, disruptive, lewd or profane language that hinders the other participants from enjoying their trip experience.
4. Participants are encouraged to report their concerns about the trip, participant behavior, and or safety items to the center staff.
5. The PAC will establish rules and regulations for specific trips. Participants will be expected to comply with all rules and regulations established by the PAC.
6. Trip itineraries and timelines are created to ensure that participants enjoy every aspect of the trip stress-free. Participants must return to the designated meeting location on or before the announced departure time, as determined by the trip driver/escort. Participants who delay trips by not returning to the designated meeting location may not be allowed on future trips.
7. Participants shall be able to participate independently while on a day trip or provide their own caregiver for assistance.
8. Participants are required to complete the PAC Medical Information/Hold Harmless form and are encouraged to make the trip driver/escort aware of any special need.

I have read the Puyallup Activity Center Trips & Tours Code of Conduct and agree to abide by the rules outlined herein.
