Re: PROJECT ID: P-21-0041– NOTICE OF COMPLETE APPLICATION

Brief Project Description: Residential (single family) second story addition to an existing home within the Clarks Creek Urban Conservancy shoreline environment. The existing home is within the 150' buffer area for Clarks Creek. Building additions in the stream buffer area require a shoreline Conditional Use Permit. The application also proposes a new garage structure in the shoreline environment, but outside of a stream buffer area. SEPA is not required for the subject proposal.

Please find attached to this email the notice of application and submitted site plan for the above referenced project. Parcel specific information may be found on the attached notice.

Please provide comments within 30 days, or June 2nd, 2021. If you'd like to be added to the Party of Record list on the project and receive future review letters and public hearing notices (if applicable), please reply to this email requesting to be placed on the party of record list for this case.

Please reference the case number or the project name in future correspondence or emails.
